TV and Video Equipment in Multi-Purpose Room

What We Do

The Leyton Public School Foundation was initiated in 2005 by Dave and Sherri Wiedeman in the memory of their daughter Meagan. It is the hope of the foundation to honor Meagan through a variety of projects and programs that promote a quality learning experience for our students.

The above picture is the new television system donated by our foundation. It is a great addition to the multi-purpose room for athletic event attendees to keep up to date on what is happening in the gym while they are in the multi-purpose room.

Our Mission

To improve the future quality of life in our community by enhancing academic and extracurricular programs at Leyton Public School.
