Dear Parents and Guardians,

We have been experiencing an increased number of strep throat and flu like symptoms at Leyton Public School. Some of these symptoms are, but not limited to, the following:

- Sore throat
- Runny or stuffy nose
- Muscle or body aches
- Cough
- Fever or fever like symptoms (chills)
- Fatigue

If your child is experiencing any of these symptoms and has a fever over 100, please keep your child home from school.

Per CDC guidelines, Leyton Public Schools encourages children to stay home until they are fever free (lower than 100 degrees Fahrenheit) for 24 hours without fever-reducing medication before returning to school.

Our school is working hard to make sure that school surfaces are clean and disinfected. Please help us remind your children to cover their mouths when they cough and use good hand washing techniques.

If you have any questions please feel free to contact the school.

Thank you,

Heidi Rushman, School Medical Assistant

Children of the Holocaust

Leyton One Acts performed well at District competition this year. Sierra Nickel and Aaron Schrotberger both received awards for Outstanding Actors.

Congratulations! We went overtime, so lost our chance to make it to state, but the cast and crew offered an outstanding performance! The cast brought great feeling to their stories and brought the Holocaust experience to life for the audience. The crew did an outstanding job in their support roles, and we appreciate all the help from our families and community.
