This spring, Leyton had the opportunity to participate in two scholastic competitions. We attended North Platte Community College's competition on March 29 and Chadron State's Scholastic Contest on April 7. We had 25 students participate in the North Platte competition, taking 32 tests. Over 88% of our students placed in the top 50%. This is an outstanding showing!

We also had 30 students participate in the Chadron State Scholastic Contest, taking 50 tests. Of those, six Leyton students placed in the top 25% and 17 students placed in the top half. This is an outstanding representation of the quality of our student body.

Special recognition goes to the following students:

North Platte: Jacob Frerichs, 3rd in Autobody
Brody Morgan, 3rd in Intro to Business
Taylor Berner, 3rd in Athletic Training

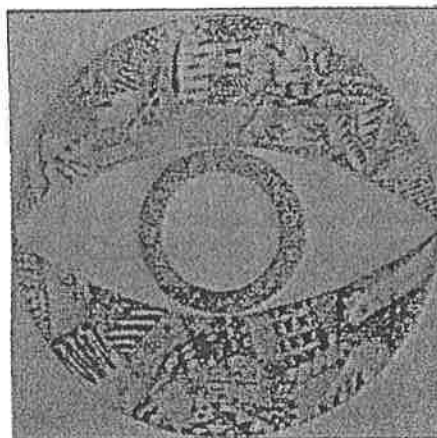

Congratulations Art Students

All three art students who entered art work in the Visionaries Art Exhibit in Scottsbluff at the West Nebraska Arts Center received an award. Matej Gargula's ceramic sculpture *Jimmy* received one of five Audrey Towater Awards for outstanding art work. Lunch, Lianne Higgins for organizing our sandwich/snack list, and all our parents for the water, snacks, desserts for Speech & Sweets, and helping us practice. Also, we had great administrative and staff support and help for our team in hosting the conference speech meet in February. We had tremendous support at our public speech night, and we thank our caring community for providing a wonderful audience on March 13th.

We are looking forward to next year's season, with many returning lettermen to lead us. We will also miss the ten seniors who provided some great role model examples throughout their competitive years.

Counselor's Corner

Freshmen Orientation - There is an information night scheduled for next year's Freshman class. Parents and students are encouraged to attend the Information Night April 26 at 6pm. Topics to be discussed will be Freshmen registration, course schedules, high school activities, NCAA, policies and procedures and Q&A.

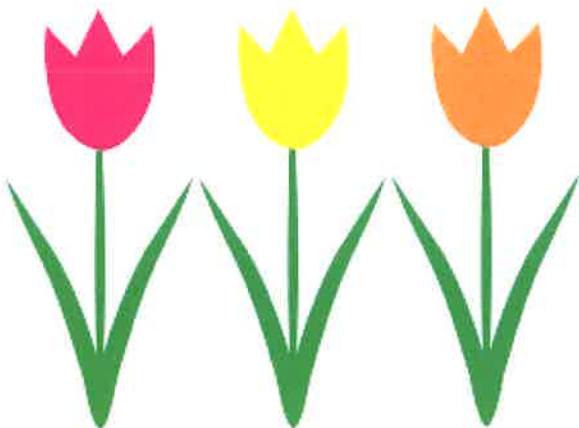

College Course Registrations - Seniors, if you need help setting up your schedule for college classes or if you need assistance with making an appointment with your Student Services representative or advisor, stop by my office.

College Visits - Juniors should begin thinking about what colleges to visit. Stop by the counselor's office for more information or assistance with planning those college visits. Juniors and seniors planning for college should have at least three college visits before graduation.

Sophomores - it is never too early for you to start planning college visits, as well. Stop by my office for more information or assistance with planning your college visits.

Class Schedules for 2017-2018 - Leyton High School students have all received a Packet of information to help them in choosing their classes for next year. They each have received a copy of the proposed schedule for next year, the required classes for their grade level, the requirements for graduation, and their registration form for the 2017-2018 year. If there are any questions, please contact me at 308-377-2301.

One last thing - As many of you know, I have resigned my position as the guidance counselor and I will not be returning to Leyton next year. My daughter will be a senior and I have decided to be home with her for her last year of school at Fossil Ridge. It has been a pleasure and an honor to work with the staff, faculty, families and most of all - the students of Leyton High School. Thank you for allowing me the opportunity to be a part of this wonderful community.

Happy spring,

Mary Matsutani
