News from the Superintendent
by Lorrie Miller

Second semester is almost here, and New Year's Resolutions are being made. I have some New Year's Resolutions and some goals for second semester that I would like to share with you.

We are testing students to monitor their learning progress. Teachers will compare student test scores from the Fall, the Winter, and the Spring. My goal is to have the scores move in an upward climb.

Teachers are writing curriculum maps. These documents list the teaching objectives for the school year by month. Once these are written for every class we teach, teachers can share them with other teachers. We can make sure that each subject has a smooth learning progression from Kindergarten to the 12th grade without gaps of knowledge or unnecessary duplication. My goal is to have teachers compare their maps with student test scores in May. Where the scores are low, teacher can check their map to see if that area was not taught very thoroughly. Then, the teacher can add to their map and change their lesson plans for next year.

The School Improvement Committee is a group of teachers who are writing Action Plans to help us achieve our three district goals (increased reading skills, increased math skills, and more collaboration between campuses). My goal is to have the committee members present their Action Plans to the rest of the staff in February. Then, other staff members can add to the plans.

The Crisis Team is working on plans for evacuation to an off-campus location and a reunification spot for parents. My goal is to hold drills at both campuses to practice these important safety actions. We will wait for warmer weather to do this.

The Technology Committee is writing a 5-year plan. This will outline equipment purchases and needed training. My goal is to present this plan to the Board for approval in March.

My New Year's Resolution is to spend more time with teachers to discuss teaching strategies. I have seen some great strategies during my career, and I want to incorporate them at Leyton... more on this later!

Another New Year's Resolution of mine is to complete all state reports way in advance of deadlines instead of waiting for the final two days which is what I have been doing. You would be surprised to see all the state reports that Superintendents have to submit. My thanks go to our secretarial and technology staff members who help with these reports. Janella Kruse, Bookkeeper/Office Manager; Liz Twarling and Kathy Surber, Attendance Secretaries; Susan Foster, Technology Coordinator; and Alison Haley, Technology Para; have earned my respect for data collections. Rachel Lee, Special Education Teacher, also enters data regarding our Special Education program. Computers help, too. The money we spend on computer updates, in order to be compatible with the state computer system, is well worth it.

I have heard many comments about the confusing parking situation at our Gurley campus. In fact, people have approached me about this subject more than any other. I will put this on my list of New Year's Resolutions, and I will discuss solutions with the Board Facility Committee. Be watchful for changes.

Student teachers will be joining us second semester. Miss Karson Langley will student-teach Kindergarteners and fourth graders with Mrs. Gipfert and Mrs. Peters. Miss Carissa Rayburn will student-teach math with Mr. Hutton at the high school. Both these student teachers are studying education at Chadron State College. When you see them, be sure to give them a warm Warrior welcome.

I would like to recognize Mr. Shawn Oakes, our music teacher, as an exceptional educator. Mr. Oakes not only manages, but motivates and educates students of all grade levels... no easy task. He directed two Christmas concerts this past month, and his personal musical talents were seen in the arrangements of many of the musical pieces that he wrote (We didn't have to pay copyrights!). Mr. Oakes even recorded himself playing several instruments to create the background music for his students' vocal presentations. On another "note," Mr. Oakes uses the melodica (simple wind instrument with a keyboard) with 4th graders to prepare them to play band or orchestra instruments. He admits that he is the only music educator in our area to use these. Fourth graders are typically introduced to instruments with recorders. Recorders resemble clarinets and require the learning of fingering charts. Mr. Oakes states that he prefers melodicas over recorders because the melodicas sound better than recorders. He explains that the recorders use less air than band/orchestra instruments, and he wants his students to be accustomed to the proper breath volume. Melodicas also prepare students to play a keyboard. He believes it is important for music students to understand pitch with the white and black keys. We are very lucky to have Mr. Oakes on our staff!

Public thanks go to the Village of Gurley for the red, juicy apples that were distributed to everyone at the Christmas Concert on December 18. Emil Weyerts, Eli Weyerts, and Levi Weyerts wished everyone a Merry Christmas as they handed out the apples. I don't know about you, but amidst all the Christmas candy and cookies, I found an apple to be just what the doctor ordered!

We have a "moratorium" for our facilities from December 23 to December 27. Our facilities will be closed during this time, including the weight room. The term "moratorium" is used by the Nebraska Students Activities Association (NSAA). It originated with the intent of keeping practice time and conditioning time equal for all student athletes during the Christmas season when family time is valued. At Leyton, the weight room is open to the public, and it is difficult to enforce the moratorium for athletes when the room is accessible for other people. So, we lock the doors for these five days. Custodians are grateful for this vacation; even though they are on call, they don't have to conduct daily clean-up activities during this time.

I hope you enjoy the holiday break with your children. We'll take them back with open arms in January.

PRINCIPAL'S NEWSLETTER-JANUARY EDITION

HAPPY 2018!

SCHOOL NURSE & STUDENT ILLNESSES

Mrs. Amy Henke has begun working at Leyton Public Schools as our school nurse. It seems the beginning of her employment coincided with a rash of sick students. Our school health personnel will notify parents when a student needs to be sent home from school due to illness. Conditions requiring a student be sent home include: Temperature greater than 100°F., vomiting, diarrhea, unexplained rashes, live head lice, or on determination by the school nurse that the child's condition prevents meaningful participation in the educational program, presents a health risk to the child or others, or that medical consultation is warranted unless the condition resolves.

If you would like to double-check if either office has your emergency daytime phone numbers on hand so that you can be reached if your child becomes ill or injured while at school, please feel free to check with Kathy or Liz. Please also contact Mrs. Henke with health related information you feel is important for your student's success in the classroom and/or safety at school.

BUS CAMERAS UPDATE

Our installation of bus cameras was delayed due to an issue with getting the necessary parts sent to our installer. As I was being trained to run the system, I was able watch the videos of our students on the buses. I was very proud of how the students were conducting themselves during their bus routes. The simple points that I reviewed last month with the students has really curbed the issues we were having on the buses. If your students ride the bus, please commend them for this improvement & encourage them to keep it going when school resumes in January. The safety of all Leyton students while on the school bus is our #1 priority.

LEYTON 1-ACTS

The Leyton 1-Acts under first-year director, Brandi Woten has an outstanding Fall season. The production earned 2nd place in the MAC. Students winning Outstanding Actors were Sierra Nickel & Paige Ernest. Hannah Vath was selected as the Best Actress in MAC. The following week the play was crowned Class D1-District 6 Champions. Hannah Vath and Raina Hartwig received Superior Ratings while Cassidee Murray received Outstanding Female Performance. The win at Districts earned the group a trip to Norfolk as state qualifiers for the first time since 1984 and a chance to perform in the famous Johnny Carson Theatre. At the end of competition Leyton earned 4th place in Class D-1. Hannah Vath was recognized as one of the Top Three Female Performers in the state. If you see Ms. Woten or any of the students that participated in 1-Acts congratulate them for their excellent work this Fall.

- Nebraska Rural Community Schools/ Gary Fisher – February 9, 2018

Upcoming College Visits for January: None are scheduled at this time but please check the daily announcements and the wall outside the counseling office for dates and times of any upcoming visits.

FAFSA forms: Hopefully most of the seniors have their FAFSA forms completed by now, but if not, please do so as soon as possible. There are more opportunities for grants the sooner it is finished.

Looking Ahead: The state has scheduled **April 3rd, 2018** as the day all the juniors will be taking the ACT for the state testing, so it is important that they are all in attendance. Please try to schedule any appointments away from that date as we are only allowed one make-up test day which is **April 24th, 2018**. The 3rd is the day we will be coming back from Easter Break which is less than ideal but I think our students will be fine.

As always, if you have any questions or concerns please do not hesitate to contact me.

HAPPY NEW YEAR!!

Proceedings of the
Leyton Public Schools
Cheyenne County School District #03

Moved by Mr. Benish, seconded by Mrs. Powell to approve discarding obsolete technology equipment as presented. Motion approved 6-0.

DISCUSSION ITEMS:

Ms. Miller presented enrollment and other school district data to the Board so that they could discuss and consider possible action to reduce and reorganize the curricular programs offered by Leyton Public Schools beginning in the 2018-2019 school year. This could include a possible RIF (Reduction in Force) of 3.5 FTE teachers, but an addition of a .50 FTE elementary principal. Ms. Allie Peters, LEA President, read a letter that was a collective message from the teachers.

Public comments were then heard from Susan Foster, Brandon Fostervold, Jessica Smith, Steve Eckhardt, Misty Beutler, Renee Peters, Lloyd Searles, Jeremy Lee, Sherri Wiedeman, Barb Reimers, Bud Gillespie, Bruce Ernest, and Savannah Jackson.

While the Board did not answer questions from the audience, a few board members did make comments. Mr. Benish explained the timing of the possible RIF. Mr. Linton replied that these questions have come up before and that with a change in administration they wanted someone to evaluate our situation with fresh eyes. Mr. Rushman added that we all love this school, but with declining enrollment, we are trying to make a responsible decision.

Discussed that the Moratorium will be from December 23rd – 27th and that the facilities at both sites will be closed to everyone during that time.

REPORTS:

Mr. Benish stated that the building and grounds committee should meet again, but probably not until after the January board meeting.

Mr. Howitt reported on the recent crisis team training. He also stated that December 20th is a full day for students, that the 21st is a teacher workday, and that grades will be mailed out on December 22nd. School will resume classes on January 3, 2018.

Ms. Miller shared information from the annual State of the Schools report card which the state now calls the Education Profile. She also asked for volunteers to create a task force to review/recommend changes in graduation requirements.

EXECUTIVE SESSION:

The Board entered into executive session, by general consent, at 8:15 p.m. to discuss the superintendent's evaluation.

Moved by Mr. Benish, seconded by Mr. Linton to return to regular session at 10:50 p.m. Motion approved 6-0.

No further action was taken.

TIME AND DATE OF NEXT REGULAR MEETING:

The next regular meeting of the Leyton Board of Education will be January 8, 2018 at 6:30 p.m. The meeting will be held in the district's administrative offices at Leyton High School in Dalton.

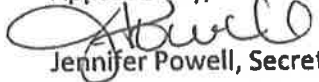

ADJOURNMENT:

Meeting was adjourned at 10:51 p.m. by general consent.

Community Shepherds Pay for Lunches

The Community Shepherds of Dalton/Gurley held a fundraiser at the end of October and raised enough money to pay off all outstanding balances for school lunch at Leyton Public Schools effective November 30. The outstanding balance payment was a onetime payment. However, Community Shepherds were also able to set up a fund to help families struggling during this difficult financial time. Any family that is needing a little assistance paying for school lunches and/or seconds are encouraged to contact Community Shepherds. Our goal is to ensure that every kid is fed. There is a simple application process. There are no income restrictions, all are welcome to apply. Please email commshepherdschoolnlunch@gmail.com and the application will be emailed to you. Your information is kept confidential and will not be shared.
