

**LEYTON PUBLIC SCHOOLS  
BOARD OF EDUCATION POLICY #3028**

**Sex Offenders**

The safety of the students attending school is very important to the board of education. School employees, parents, and students should be aware of dangers posed by sex offenders living within the school district, and should be vigilant in providing protection against these dangers. The website in which you can check to see if there are any registered sex offenders in your area is: <https://sor.nebraska.gov/Registry>. This link will be listed on the school website.

The board does not generally permit registered sex offenders on school grounds, at any school sponsored activity, or on any property under the control of the school district. The superintendent or his/her designee is hereby empowered to notify sex offenders of this policy and to grant limited permission to attend certain activities on a case-by-case basis.

Students who are registered sex offenders shall not be precluded from receiving a free education from the school district on that basis. The school district will consider a student's status as a registered sex offender in determining the student's educational placement and program.
