

**LEYTON PUBLIC SCHOOLS
BOARD OF EDUCATION POLICY #4007**

Personnel Records

The district shall maintain a personnel file regarding each employee. All materials in a personnel file, except for employment references and information that was gathered in the process of assessing an applicant for hiring, shall be available to the employee for review within a reasonable period of time of the employee's request. Employees (or individuals to whom employees have given written authorization) may inspect the contents of their personnel files only in the presence of an administrator or a person designated by the administration.

An employee may respond to any document(s) in his or her personnel file by submitting a written response to the person responsible for keeping the file, who shall attach the response to file copies of the disputed document.

No person other than school officials engaged in their professional duties shall be granted access to employees' personnel files, and the contents of such files shall not be divulged in any manner to any unauthorized person. An attorney acting on behalf of the board of education or administration is deemed to be a school official.
