Senior Recognition

The school district will recognize the outstanding academic achievement of its graduating seniors in the following manner:

The GPA (grade point average) for all academic honors will be calculated based on the 4.0 GPA scale. Valedictorian and Salutatorian will be calculated on 8 semester grade point averages. Valedictorian and Salutatorian will be named based on the students' posted GPA as of the Monday prior to graduation of each academic year. The seniors' final grades will be posted at the end of the school year. If the highest grade averages in the senior class are within .01 of one another, Co-Valedictorians and/or Co-Salutatorians will be named in the class.
