Superintendent Notes; September 2021

We are already one quarter of the way through the 21-22 school year! It's hard to believe that time really goes that fast, but, wow, we have had a lot of success so far. Academically, our students have had the shortest down list in recent history. Athletically, we've had state qualifiers in both football and cross country. And the volleyball team earned a 3rd place MAC conference finish. Congratulations to all the teachers and students on a successful start to the school year.

There are a few items I would like to call your attention to as we settle into the second semester. First, as a support to the school improvement process, we have made available a COMMUNITY survey on our website. In order to take this survey, you need the following code:

58730248

Second, by way of reminder, please keep your child home if they are feeling ill. We have been intentional on extra cleaning on buses and in our schools. So far, we have only one case of COVID in school. I appreciate your help reducing the risk of COVID at Leyton. If you, or your child, is a close contact to someone who has been confirmed positive with COVID, the school will be happy to work with you to develop the best plan of action for your family.

We will also be starting our CogAt testing later this month. This testing is designed to help us identify High Ability Learners in our district. This test is different from the MAP tests that we give which determine if students have become proficient in state standards. Instead, the CogAt measures cognitive ability and helps us identify students who may be gifted in areas other than reading, math, and science.

I also wanted to thank the community for such a strong showing of support for our state football playoff game. This is the first time we have hosted a state football playoff game since 2007. As you know, the Nebraska State Activities Association (NSAA) makes all the rules for these contests. As hosts, we are required to follow these protocols. This includes limiting parking access on the west side of our football field. I appreciate your understanding and patience as we work to provide the best experience for our students and fans in compliance with NSAA regulations.

Finally, we have been able to stream the past two meetings of the Board of Education. We will continue to work to make these broadcasts as clear as possible. Of course, if you have any questions about the Board Agenda or an upcoming meeting, you are welcome to call me at the school.

Here's to a great second quarter!

High School Principal/AD Newsletter

Dear Leyton Families,

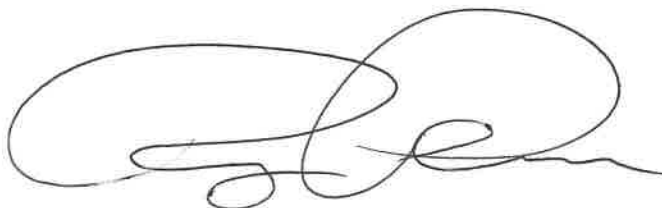

We certainly have entered into Fall and Winter months. When school is cancelled due to weather, information is communicated out through the school website at leytonwarriors.org, Leyton Public Schools facebook page, local radio stations (KNEB and The Big Boy) and through the EZ message communication system. If you are not receiving the EZ message phone calls, please contact the school office.

Right before the end of the first quarter we held parent-teacher conferences at Gym in Gurley. This was a great opportunity for parents to meet with their child's teacher to discuss curriculum, classroom expectations, and student performance. The high school had a 37% parent attendance rate. Parent-teacher conferences are a great way to stay connected with your child's teachers, however if you need to speak with a teacher concerning your child, please contact the school or use email to directly communicate with the staff.

Congratulations to all fall sports!! Volleyball finished 3rd in the MAC Tournament. Football has made it to the 2nd Round of State Playoffs, and will take on Osceola. Cross Country had two athletes make the state meet. Gabe Tretter and Axi Benish will represent the Warriors in Kearney.

November 11th at 11:00 AM, in the High School Gymnasium, Veteran's Day will be in full swing. Coffee and rolls will be provided, and the band will be playing their newest range of songs. Please come and help support the Veteran's on this very special day.

One of the greatest indicators of student success in school is attendance rate. The school is required by law to report instances of excessive absenteeism to the County Attorney. While some absences are unavoidable, such as severe illness or family issues that require the student to be absent, many others absences are avoidable. In the account that your student is absent please provide a doctor's note.

A Message from Mrs. Morgan

We are officially at the end of our first quarter and cold weather is seeping in. Please make sure your students are dressed for going outside daily. We start our day off as soon as buses arrive on the playground and it is very chilly. We also have recess after lunch and want to make sure everyone is dressed to stay warm and enjoy our playground. Thank you for your attention to this.

We have completed all of our MAP testing. Many of you had the opportunity to discuss your student's scores with your classroom teacher. If you did not have that opportunity and would like to see a MAP score report, please email the teacher and they can get that out to you. Thank you all very much for attending parent/teacher conferences! We had 100% participation in grades kindergarten through sixth, 86% in grade seven and 67% in grade eight. Those are incredible numbers! Thank you parents for the support you provide to our students and staff. We also enjoyed having the high school teachers in our building so parents that have children in both buildings could visit with all of our Leyton teachers in one place.

Our September Good Citizens are pictured here. Kindergarten-Ryder Draper, 1st-Leo Tretter, 2nd-Brennan Rieken, 3rd-Brooks Frerichs, 4th-Nora Jensen, 5th-Paige Frerichs, 6th-Bella Fischer, 7th-Claire Eckhardt, and 8th-Macey Roelle. We enjoyed our lunch with the principal on Friday, October 15. We had a great time and the conversation is always very lively.

Important dates to remember: Thursday, November 4, JH Wrestling @ Gordon-Rushville; Tuesday, November 9, JH Wrestling @ Sidney; Thursday, November 11, JH Wrestling @ Hemingford; Tuesday, November 23, JH Wrestling Tournament @ Perkins Co.; Monday, November 29, JH Wrestling @ Bayard. Our Thanksgiving break for students will be November 24-26 with no school. Enjoy your family time!

Gurley Volunteer Fire Department Fire Truck Rides and Unity Day!

As always if I can ever assist you in any way, please don't hesitate to call the school at 308-884-2247 or email me directly. Take care!

RECENT EVENTS

3rd Annual "Apply 2 College Day"

All 15 seniors submitted a total of 43 college applications across the country to both 2 year and 4 year institutions.

We're thankful to our school for their support in helping to pay for some of the application fees.

Manufacturing Day

14 students toured Aulick Industries, learned about their manufacturing, and competed in a building contest.

What has your child been exploring in guidance class?

The Live to Give Mindset. These 4 elements help teach the importance of serving others while maximizing our own potential.

1. Stretch Yourself
2. Make a Difference
3. Receive Gracefully
4. Create a Legacy

5 Dos and Don'ts to support the Live to Give mindset at home.

1. **DO** look for ways you and your children can help others and the world.
2. **Do** consider what you're demonstrating to your children as you use your gifts and talents to help others.
3. **Don't** refuse help from others.
4. **Don't** ignore opportunities to help out in the community and around the world.
5. **Do** recognize you are a role model for your children and will leave a legacy for them for the rest of their lives.

Leyton Warriors Weight Gainers through the beginning of the PLT4M app. (PLT4M program began in the summer of 2018)

The students maxed out on bench press, leg squat, and power cleans. Not all the athletes had a chance to re-max on the 3 Olympic style lifts.

The gains that are seen are the 3 Olympic lifts combined together. (Bench press, Squat, & Hang cleans)
