# School Closings and Late Starts Due to Weather/Road Conditions

In the event road or weather conditions make it necessary for the Leyton Public Schools to have a late start or cancel school for the day, the information will be broadcast on Sidney's KSID radio station and on Scottsbluff's KNEB radio station. These two stations have proven to be reliable and cooperative in relaying school closing information to the public.

KSID Radio (Sidney) is found at 98.7 FM and 1340 AM. KSID also posts school closing information on its website at [ksidradio.com](http://ksidradio.com).

KNEB Radio (Scottsbluff) is found at 94.1 FM and 960 AM.

These stations will be called as soon as a decision is made regarding a late start/school cancellation. The information will generally be available by 6:30 am.

Occasionally a late start is changed to a cancellation when the weather and/or roads do not show the anticipated improvement. When a late start is announced, it is wise to stay tuned to KSID (or continue to check its website) or KNEB in the event the decision is made to close school entirely.

As always, families living in the rural areas of the Leyton district know the condition of the roads in their immediate area better than anyone. **IF YOU DO NOT BELIEVE YOUR CHILDREN CAN GET SAFELY TO SCHOOL DUE TO WEATHER OR ROAD CONDITIONS, PLEASE KEEP THEM AT HOME AND NOTIFY THE SCHOOL THAT YOU ARE DOING SO.**

**Superintendent Letter**  
**July 2022**

I wanted to take this opportunity to introduce myself and my family to the Leyton Public School District. First and foremost a picture of my family, so you'll have a face to go with a name.

From Left to Right we have Henry (12), Miles (13 months), Lila (14), Laura and Matt McLaughlin. This is a picture of us this summer on a family vacation to celebrate my sister Mary's and her husband Ken's wedding renewal in Mexico. So far it has been a great summer filled with new and interesting changes for us. Lila and Henry will be enrolled at Leyton this fall in 6th and 10th grade.

My first few days on the job have been absolutely fantastic. I've been able to meet with several staff members including teaching staff, our bus drivers, our maintenance staff, and Chris Lind in the Kitchen. Everyone on our staff has been extremely helpful to me as I transition into this new role for Leyton Public Schools. I've also been into several local businesses to check out the food options (you have no idea how blessed you are to have such great food).

There have been a few staff changes that I wanted to make sure our community is aware of and I hope to feature these staff members on Facebook at some point this month. Our first addition to Leyton Elementary and Junior High School is Theresa Barnhart. Ms. Barnhardt is joining our team as a Science teacher at the Junior High. Mrs. Kessler will be working with our fifth grade class as well as our fourth grade class along with Mrs. Schumacher. The final teaching staff addition will be Ms. Finkner who will be taking over AG instruction along with the role of FFA advisor. We have also hired Kevin Thomas as the High School Principal. Mr. Thomas spent several years in administration both as a principal and former superintendent for Potter-Dix Public Schools. These staff members bring a variety of experiences to the table that our interview team believed will push our district forward. I realize that in a district our size, change is something that can be scary at first, so I wanted to get those names out to you as soon as possible so you'll have an opportunity to see their names, and hopefully sometime this month we can feature them on our website and on social media with more biographical information.

**School Lunch Change:** This year student lunches will return to be paid. I realize that this is something that may impact some of our families. I would encourage all families to plan ahead on this change especially since it has been two years since we have done a paid lunch service. Our prices will not change this year, we will hold the same rates as we had been using three years ago. Please apply for free and reduced lunches as well, those applications will be available in the offices soon.

The prices will be as follows:

- Breakfast K-8: \$1.50
- Breakfast 9-12: \$1.60
- Lunch K-5: \$2.60
- Lunch 6-8: \$2.75
- Lunch 9-12: \$2.85

**ESSER Plan:** We are continuing our search to fill the items listed on our ESSER III grant which were Student transportation purchases, and high curriculum. The staff will be looking at the reading curriculum throughout the school year for a potential change in K-12 curriculum. We are also actively looking for a van or SUV to safely transport students. I will continue to keep you informed on these items that the community had listed as focus areas.

**Employment:** We recently put an ad online for our kitchen position. We have restructured our pay scale and feel there is a great opportunity for someone interested in a career at Leyton Schools. Please head to our website for more information. If you know someone in our community who wants to make a difference in our school district, please encourage them to apply.

On a personal note, I am excited to be here in Dalton and Gurley. From my time as principal for Bayard public schools, I was able to see Leyton students perform in a variety of activities and I

always knew that if Leyton Schools were at the event they were there to compete to the best of their abilities and they were always top notch students. This school year is going to be filled with opportunities to build on the tradition of greatness you are accustomed to seeing from Leyton Public Schools. Every person I have come across has told me stories about their experiences with Leyton and it feels like a perfect fit for my family. I hope this letter finds you well, and excited and proud to be part of the Leyton Warriors.

Reminder for the high school students who have a school issued laptop, your first \$50 payment for the 2022/2023 school year is due by September 1st. Freshman participating in the school device program need to pay their \$50 to receive their laptop on the first day of school. Please contact Mrs. Haley with any questions, [alison.haley@leytonwarriors.org](mailto:alison.haley@leytonwarriors.org).

## AHERA Notice

The Asbestos Hazard Emergency Response Act (AHERA) of 1987 requires all public and private schools to inventory and inspect all buildings in each system for asbestos-containing material (ACM). This initial inspection was conducted in 1988 and each subsequent three years.

School districts are required to develop and follow a management plan for asbestos in each building. Please be advised that these management plans are on file in the school's administrative office and are open for public inspection during office hours. Complete copies of the district's management plans are available for the cost of reproduction.

Each six months the school is required to have the ACM surveyed to determine if the asbestos material had deteriorated or been damaged in any way.

A listing of all the district's asbestos-containing material is located in the management plan and any action to remove or repair the asbestos is also listed in the management plan which is open to public inspection.

Jacob Noel is the school's asbestos manager and can be reached at 308-377-2301.

## Attention Leyton Warrior Football Players:

I hope your summer has gone well if you have shown interest in participating in the 2022 football season. You and your parents need to attend the mandatory parent meeting on August 1, 2022, at 6:00 pm in the multi-room/gym, at the High School in Dalton. At this meeting, your parents will complete the necessary paperwork (parent consent form and NSAA eligibility) for you to participate and turn in physical forms. Also, we will discuss the coaches' philosophy, the team handbook, essential dates, and activities during the season. Sidney Regional is offering free sports physical by appointment only. Times and days are posted on the school website. You need to make sure that you get a physical (using Leyton's physical form) before the first mandatory practice. If any of these forms are not complete and turned in before the first mandatory practice you will not be able to participate until they are turned in. If you have questions please give me a call, any of the assistant coaches, or AD.

The other coaches and I are looking forward to an exciting fall season. It's not going to be easy but we shall focus on the short-term goals to accomplish our long-term goals. We need to stay focused, be committed, and work hard. Never give up, always listen, hustle, and keep a positive attitude, you will receive the rewards in the end. Warrior Strong!!! Eight men, one heartbeat! **The Warrior's Core Values: Family, Discipline, Grit, Integrity, Commitment**

Enjoy the rest of your summer!

Sincerely,

Coach Lipska

They will be available for purchase at our Annual Tailgate and every volleyball/football/basketball game!

# Foods & Nutrition Classes

Due to student interest, Leyton is offering Foods & Nutrition classes during the 2022-2023 School Year. Twenty-five students are registered as of this newsletter, and kitchen equipment is scarce to meet the needs of all these students. We have three stoves, and would like to get all three kitchen spaces equipped for the year. We are accepting donations of new and clean nearly new kitchen items to help students learn different cooking, baking and food preparation techniques. We cannot accept items that have damaged cords, flaking nonstick coating, or pose any kind of danger to students.

## Suggestions include, but are not limited to:

- Pots, pans, and skillets, with or without lids
- Baking dishes of all sizes
- Crockpots, small and large roasters, waffle irons, griddles, hand mixers and other electrical appliances that would teach students new cooking techniques
- Food prep items such as cutting boards, counter scrapers, storage containers with lids, and utensils (vegetable peelers, knives, etc.)

## Other items students will need this fall:

- Jelly jars, lids and rings for sterilization and canning lessons
- Sweet corn to practice grilling, blanching and freezing techniques
- Fall produce such as zucchini, pumpkins, apples for baking projects

Also, we have so many master gardeners and expert cooks in our Leyton Communities, and I may need some extra help as the year progresses. If you have a specialty you could share with the Foods classes, please contact me to set up a demonstration that would start after October 1<sup>st</sup>.

Thank you to the following donors who have already contributed to refurbishing the Foods and Nutrition kitchen:

Jane Reimers Tupperware  
Kip & Twila Worth  
Russ & Ann Rushman  
Rushman Seeds
