A note from the Superintendent,

I hope this message finds you well, and you are enjoying the start of the school year. My message this month is all about the Uncle Sam posters "LEYTON NEEDS YOU!" The first and most important portion of our school mission is to Embrace our Community and we have two major events planned this month where we need your help. I wanted to use this opportunity to share with you the importance of the events and why we need you at our school.

Event 1: September 8th: Tailgate and Harlin Dormann Field Dedication

This event is going to be amazing, and a good chance to gather as a community. We are having a free-will donation dinner starting at 5:00 PM and a home football game to follow at 7:00 PM. We need you there for so many reasons but I wanted to personally invite you to the event because of the ceremony we have planned at halftime. Mr. Dormann's service to Leyton Public Schools was incredible and far-reaching within our community and state. If you ever played for or were taught by Mr. Dormann we would love for you to be a part of the ceremonies at halftime. Mr. Dormann's family is planning to attend the event and we want to make it an experience that we all can be proud of. It's not very often that people are inducted into the 8-man Football Hall of Fame, and to have someone from our community recognized is a major honor.

Event 2: September 14th, Community Meeting and Strategic Planning 7:30PM-9:00PM

First off FOOD WILL BE PROVIDED by Outlaws Cafe. Do I have your interest now? This event is pivotal for our district. We need your help to make this event a success, all you have to do is show up and help us answer four questions.

1. Identify the points of pride, accomplishments and achievements of Leyton Public Schools
2. Identify the challenges that currently impact or may impact Leyton Public Schools and our communities in the future
3. What more can the district do to attract students/families to the area to grow our enrollment?
4. Identify what you believe are the most important areas the district might focus on to improve: Our learning opportunities, and our facilities and grounds.

This meeting will help us plan for the future of Leyton Public Schools by creating a roadmap, and a plan to serve our community as best we can. Every community member is invited whether you have students attending our school or not. We need your thoughts and opinions about how to get better for every student who walks through our doors. Our strategic plan meeting needs to have people in seats engaged in making our school better. I would love to have at least two hundred people, students, moms, dads, community members, business owners, and absolutely all community members interested in making our schools world-class. Please make it a point to attend.

*Embracing Community, Creating Integrity, Achieving Greatness.*

## Note from the Principal

The start of school is always an exciting and chaotic time of the year. The students are excited to be back with their friends, the teachers and staff are excited to see the students back. There are new students that are anxious to see how the new school works, there are also adults in the buildings that are anxious to see how things work in their new school. With all that being said we are off and running with the new school year, students and teachers are settling into the routines of the school day. We are also off and running with the activities for the school year. There will be information that I will be getting out shortly on the JMC Parent Portal so that parents can keep tabs on their students grades, lunch account balances, missing assignments. Parents can sign up for alerts for a low lunch balance, missing assignments and grades through the parent portal.

We will have a ton of activities coming up in the near future with the tailgate and dedication ceremony for Harlin Dormann on September 9<sup>th</sup> for the football games with Morrill. We will have several events for both junior high and high school in the coming weeks. My family and I are getting to know the communities and are very happy to be here. I look forward to meeting more people in the future and until next time, Go Warriors!

# Attention High School Seniors

In October, Leyton High School Seniors will participate in the Apply2College campaign. The event is part of a national campaign to encourage seniors to focus on their futures. October 6th and 13th during Business communications class the students will have time to apply to multiple colleges. The first two weeks of October the Nebraska university system waives the application fee and students can apply to all three; Lincoln, Kearney, and Omaha with the same application. It is always free to apply to the Nebraska State Colleges; Chadron, Peru, and Wayne. They also offer free tuition to Pell Grant eligible students.

# SchoolStore Fundraiser

Hello Elem/JH Parents,

We will be participating in the SchoolStore program to help our elementary/JH school raise money. An envelope explaining how the program works will be sent home with your student on Monday, September 11th, for all K-8th graders. Parents, please read over the information describing how you can participate. Your student(s) will earn a participation prize when they return the filled-out envelope to school, and they can earn more great prizes when your family and friends help our school raise money. So don't forget to send the filled-out envelope back to school, and thanks for your support.

Thank you,

Ms. DeBlois, fundraiser sponsor

Community Calendars

TO: Subscribers of the Dalton/Gurley Community Calendar Advertisement Block  
FROM: Nicole Hughes, FFA Advisor  
DATE: August 23 2023  
SUBJECT: Ad Purchase or Renewal for the 2024 Calendar

Thank you for supporting the Dalton/Gurley Community Calendar last year with your commitment of purchasing a block ad on the calendar. Those calendars went out to over 180 local businesses, non-profit organizations, and households to help support you in your business. We could not create this calendar without you!

I am excited to again provide the opportunity for your business to advertise in the Dalton/Gurley Community Calendar, which was formerly a community Lions Club project and is now distributed by the Leyton High School FFA. Our FFA program is proud to help carry on the tradition of a community-wide birthday, anniversary, and meeting calendar. We also enjoy working with businesses like yours to advertise, so community members know how to make contacts locally.

Our block ad price is \$40.00 again this year. This price includes more than just the calendar advertisement. You may update your block ad with a new logo or different contact information, as well as add any immediate family member birthday and anniversary dates. In addition, if you are associated with a Dalton or Gurley non-profit organization and would like meeting or activity dates listed on the calendar, please send those with your ad purchase or renewal.

Please proofread and approve your ad from last year's calendar or submit your new ad. I am available by phone or email at the contact information listed below. Thank you again for supporting this community project.
