Note from the Principal

Spring has sprung, the ups and downs of the weather - one day nice and warm the next snowy. With springtime there are a whole lot of activity going on within our schools. We will be hosting a couple of track meets; a junior high meet in April and a high school meet in May. There are plenty of other activities with high school golf and track in full swing. The FFA Chapter will be attending the State Convention – congratulations to Macey, Lila, Mercedes, Faith, Trenton and Jaxson for qualifying for the State Convention. A special congratulations to Trenton and Jaxson for earning their State Degrees. There will be concerts; Prom will be April 20 and District Music will be April 18. Also, with spring, there will be testing for our students. The Juniors will take the ACT test on April 17 and the Sophomores will take the Pre-ACT on April 17. Our elementary and junior high students will take their state tests the week of April 22. We are excited to see how far our students have come throughout the school year. With the end of the year rapidly approaching there are a couple of reminders of events happening. High School Honors Night will be held on Monday May 6 at the high school. Our Seniors will graduate on Saturday May 11. As always if you have questions please contact the schools or myself.

LEYTON PUBLIC SCHOOLS

Leyton Public School Community Members,

Triennial Wellness Assessment Results

We take pride in our efforts to educate the whole child. Daily, we want our students to feel safe, supported, and engaged while they are learning in our schools. Each year we must closely examine our Wellness Policy and the focus we put into the overall care of our students Mind, Body, and Soul.

We know when schools focus on student's well-being in school- such as healthy eating habits, access to fresh fruits and vegetables, opportunities to learn quality social-emotional habits, and keeping kids in school for as many days as possible- have traditionally been indicators of success not only in school but in life.

School Goals

- a. The district will promote healthy food and beverage choices for all students, as well as encourage participation in school meal programs by such methods as implementing evidence-based healthy food promotion techniques through the school meal programs and promoting foods and beverages that meet or exceed the USDA Smart Snacks in School nutrition standards.
- b. The health curriculum will include information on good nutrition and healthy living habits.
- c. Teachers will incorporate information on nutrition and wellness into the classroom curriculum as appropriate.
- d. The district will collaborate with public and private entities to promote student wellness.
- e. Water will be made available during the school day

Moving Forward: Our District will develop more opportunities within the school(s) to advertise and promote healthy snacks. We will also work on communicating to our stakeholders about our efforts to maintain our focus on wellness at Leyton Public Schools.
