Dear Leyton Public Schools Community,

Welcome back to a new and exciting school year! As we stand on the threshold of another year of learning, growth, and achievement, I want to extend my warmest greetings and share some thrilling updates that will make this year truly special. Without the support of our community, none of this would be possible. Our vision states: Embrace our Community, Create Integrity, and Achieve Greatness. What we have done as a staff over the past two years has been incredible and this next year will surely build upon the tradition of excellence that Leyton has enjoyed. At the end of this welcome-back message, you will be excited to join us in another amazing year.

Our commitment to creating an exceptional learning environment for our students is unwavering, and this year, we are excited to unveil several important changes that will enhance our school experience.

First, we are thrilled to introduce our new preschool program: Little Warriors Preschool. This addition marks a significant step forward in our mission to provide early, high-quality education. Our youngest learners will benefit from a nurturing environment designed to ignite their curiosity and lay a strong foundation for their educational journey. Angie Borgmann has been hard at work as our new Preschool Teacher, the room is outfitted with top-of-the-line equipment, and the kids are going to thrive in this program for years to come. We are still recruiting students to fill the final six slots, contact Heidi Rushman for more information about our program.

In addition, we have made significant upgrades to our welding shop. These improvements will not only enhance the safety and functionality of the space but also provide our students with the best tools and resources to excel in their hands-on learning experiences. The new equipment and updated facilities will ensure that our students are well-prepared for future careers in this vital industry. This area will be available for all to see at the open house, make sure you make a point to see it.

Another exciting development is the fresh new look of our elementary gym. With a vibrant coat of paint, our gym is now an even more welcoming and energetic space for our students to engage in physical activity, sports, and community events. We are also in the process of updating the lighting in the gym to further improve the atmosphere and functionality of this important area. The Gurley Site is truly a gem for our community. I want to praise the work that was done at that site before I began working here. We want to make sure that our facilities continue to be at the top of all areas of schools.

These enhancements reflect our deep commitment to Leyton Public Schools and our belief in the importance of investing in our student's education and well-being. We know that a vibrant, well-equipped, and supportive school environment plays a crucial role in fostering student success. We know that our community is the biggest investor in our student's education and I want to thank you for your continued support of the projects that are going on. From my superintendent role, I want to make sure that what we do and how we do it are in alignment with what you expect from Leyton.

We are incredibly proud of our dedicated staff, who have worked tirelessly to ensure that our school remains a special place for students to come each day. Their passion, dedication, and hard work are the heart of our school community, and I am confident that their efforts will make this year truly outstanding. When you come to our events please take a moment to appreciate the hard work that goes into making Leyton amazing.

Leyton Public Schools has always been a cornerstone of our community, and these changes are a testament to our shared commitment to excellence. As we embark on this new school year, let's embrace these exciting developments and continue working together to make our school a place where every student can thrive.

The last item I'll leave you with is the importance of communication. I know that quality communication is probably the single most important component in establishing a trusting environment. We have worked together as a staff to ensure that our communication efforts are effective for all stakeholders. Our website, calendars, and student information systems will be improved this year because we have seen this as an area to improve. Please take the initiative to say something if you are confused or if we are missing our mark.

Thank you for your continued support and dedication. Here's to a fantastic year ahead!

Best Wishes,

Matt McLaughlin

From the Principal's Office

It is hard to believe that it is almost time to start school up again for another year. I know the students are not very excited about returning to school, but I am excited to start another school year. We have a lot of good things going on at our schools and I am looking forward to a great year. There are a couple of things that I would like to highlight.

The first day of school for students in grades K-12 is Thursday August 15. The first day of preschool will be Wednesday August 21. The school hours on Mondays and Thursdays at the High School will be 7:50 am to 3:20 pm while the Elementary/Junior High will be 7:50 am to 3:30 pm. The Friday schedule at the High School will be 7:50 am to 2:00 pm and 7:50 am to 2:10 pm at the Elementary/Junior High.

There are a few sports reminders as well. The first day of fall practice for High School students will be Monday August 12. All athletes must have their sports physicals before being allowed to practice. Junior High practice will start when school starts, they also will need to have a sports physical to participate. I am extremely excited to start my second year at Leyton Public Schools, I look forward to a great school year. If you have any questions, please feel free to contact me at the school or charles.jones@leytonwarriors.org.

School Closings and Late Starts Due to Weather / Road Conditions

In the event road or weather conditions make it necessary for the Leyton Public Schools to have a late start or cancel school for the day, the information will be broadcast on Sidney's 98.7 Panhandle-News Channel Nebraska radio station and on Scottsbluff's KNEB radio station. These two stations have proven to be reliable and cooperative in relaying school closing information to the public.

Panhandle-News Channel Nebraska (Sidney) is found at 98.7 FM and 1340 AM. They also post school closing information on its website at nebraskanewschannel.com.

KNEB Radio (Scottsbluff) is found at 94.1 FM and 960 AM.

These stations will be called as soon as a decision is made regarding a late start/school cancellation. The information will generally be available by 6:30am.

Occasionally a late start is changed to a cancellation when the weather and/or roads do not show the anticipated improvement. When a late start is announced, it is wise to stay tuned to Panhandle-News Channel Nebraska (or continue to check its website) or KNEB in the event the decision is made to close school entirely.

As always, families living in the rural areas of the Leyton district know the condition of the roads in their immediate area better than anyone. IF YOU DO NOT BELIEVE YOUR CHILDREN CAN GET SAFELY TO SCHOOL DUE TO WEATHER OR ROAD CONDITIONS, PLEASE KEEP THEM AT HOME AND NOTIFY THE SCHOOL THAT YOU ARE DOING SO.

AHERA Notice

The Asbestos Hazard Emergency Response Act (AHERA) of 1987 requires all public and private schools to inventory and inspect all buildings in each system for asbestos-containing material (ACM). This initial inspection was conducted in 1988 and each subsequent three years.

School districts are required to develop and follow a management plan for asbestos in each building. Please be advised that these management plans are on file in the school's administrative office and are open for public inspection during office hours. Complete copies of the district's management plans are available for the cost of reproduction.

Each six months the school is required to have the ACM surveyed to determine if the asbestos material had deteriorated or been damaged in any way.

A listing of all the district's asbestos-containing material is located in the management plan and any action to remove or repair the asbestos is also listed in the management plan which is open to public inspection.

Jacob Noel is the school's asbestos manager and can be reached at 308-377-2301.

Mr. Matt McLaughlin, Superintendent

Reminder for the high school students who have a school issued laptop. Your first \$50 payment for the 2024/2025 school year is due the first week of school. Please contact Mrs. Haley with any questions, alison.haley@leytonwarriors.org.

All freshman students have to pay their fee before they will receive their device.

The logo for "Warrior Zone" features a large, stylized letter 'W' in black, positioned to the left of a large, stylized letter 'Z' in a light purple color. The background consists of abstract shapes in maroon, yellow, and light purple. Below the letters, the words "WARRIOR ZONE" are written in a bold, black, sans-serif font.

July 25, 2024

Attention Leyton Warrior Football Players:

I hope your summer has gone well. This letter is being sent to you if you have shown interest in participating in the 2024 football season. Suppose you are interested in participating in the upcoming season. In that case, you and your parents need to attend the mandatory parent meeting on August 5th, 2024, at 6:00 pm in the multi-room, at the High School in Dalton. At this meeting, your parents will fill out the necessary paperwork (parent consent form and NSAA eligibility) for you to participate and turn in physical forms. Also, we will discuss the coaches' philosophy, the team handbook, essential dates, and activities during the season. SRMC is again offering **Free Sports Physicals**, on July 31st, August 1st, 7th, 8th, 14th, & 15th. Call 308-254-5544 or look on SRMC's Facebook page. You need to make sure that you get a physical (using Leyton's physical form) before the first mandatory practice. If any of these forms are not complete and turned in before the first mandatory practice you will not be able to participate until they are turned in. If you have questions please give me a call, any of the assistant coaches, or Charles Jones our Principal.

The other coaches and I are looking forward to an exciting fall season. 6 men, one heartbeat! **The Warrior's Core Values: Family, Discipline, Grit, Integrity, Commitment**

The dates to keep in mind are below.

Enjoy the rest of your summer!

Sincerely,
Coach
Gamble

PRESCHOOL NEWS

School Activity

We are so excited to kick off our year in Preschool. The classroom is prepped and ready to be filled with our littlest learners. We will spend our first few weeks learning about each other and our new routine. We look forward to sharing what we are doing in PreK and how we are learning through play all year long.

“Play is not frivolous;
it is brain building.”

Meet the Teacher

Hello! My name is Angie Borgmann and I am so excited to be a part of Leyton School District as the Preschool teacher. I LOVE all things Early Childhood and teaching!! I have three kids. Logan is 20 years old, Naomi is 19 years old, and Calvin is 15 years old. I attended the University of Nebraska-Kearney and received my Bachelor's degree in Early Childhood Education and Early Childhood Special Education. This is my 2nd year as a certified teacher with over 10 years of experience in the Early Childhood field.

There is no place like Leyton, Good ol' Leyton High...

And what better way to show your pride and support than to purchase a chance to win a homemade Leyton t-shirt blanket.

Ticket prices:
